The Jubilee Year of Mercy is now in the history books and looking back I wonder if I have been changed at all by the observance. Certainly the focus on mercy wasn't all about God's mercy toward me? Yes, I focused on my sin and the need for God's forgiveness and grace, but hopefully that changed how I live my life and how I offer mercy to others.

The mercy we receive from God is not something we are to keep bottled up or hidden from others. Jesus taught us to treat others the way we would like to be treated and to love everyone, even our enemies. When Jesus healed the Canaanite woman I wonder what she did next. I would hope she in turn offered mercy and healing to others. Of course, I know she was imperfect just like me so I am sure in no time she was back to needing the mercy of Jesus. Her demon was gone, but there is always a new evil around every corner.

However, the fact that we are a broken people always in need of mercy does not lessen the command for us to offer mercy. Mercy is a gift like so many others that God lavishes on us with great generosity. We are called to cultivate this and share it with others as well. If we cannot do that then what was the real effect of God's mercy in our lives? If we do not allow God to change us into more generous stewards ready to offer mercy and love to all, then perhaps we are fooling ourselves that we are true disciples of Jesus at all. --Tracy Earl Welliver,

The Diocese of Charleston Policy on Sacramental Preparation

“Each parish offers special sessions and special resources for children and youth preparing for First Confession, First Communion, and Confirmation. A general requirement is that a child preparing for a sacrament has been actively and regularly attending religious education prior to beginning the sacramental preparation program. Baptismal certificates and other sacramental records are required for the child or youth preparing for a sacrament and for his or her sponsor. Sacramental preparation programs include special study, prayerful preparation, regular attendance at classes, participation of parents in designated programs, certification of readiness for the sacrament, and regular participation in the liturgical life of the parish. The reception of sacraments is a right for baptized Catholics, a right that carries with it the responsibility for conscientious and reverent preparation.”

The expectation in the Saint Anne and Saint Jude Office of Faith Formation is that upon entering into a Sacramental program, the youth would have attended a Religious Education program for at least one full year prior (according to attendance records). Once entered into a Sacramental program, it is the expectation that the youth will attend classes and retreats faithfully and participate fully. If you know your child is going to be absent on a scheduled class day, please notify the teacher or DRE. All contact information is available on the front cover of the bulletin.

Weekly Inspiration

Our relationships often need reconciling and healing. While it is easy to say, it is often difficult to achieve. Sometimes, reconciling requires that we take down the barriers that are sources of division, remove our prejudices, look beyond differences, and see the "sameness" that connects us one to another. Of course, each party has to be willing to do this in order for healing to occur. Our Gospel shows us the healing that can occur when both parties are willing participants.
