Dear Parishioners,

The Parish Pastoral Council is beginning a process of developing a comprehensive plan for our Parish Church that is mission focused. To start this process we need your input in assessing our Parish's current operations. While there are many activities now in place, we need to know what can be improved and what should be added.

Below, please list your ideas for our Parish and return to Fr. Gio not later than November 30 or go to: <https://www.sasjrcc.org/p-plan/> to submit your ideas. Thank you.

Sincerely,

Fr. Gio
