We have transitioned into the design development phase for our project following the (BRAC) Building, Renovation and Architectural Committee approval of our plan. Below is the letter from Monsignor Harris with the committee's recommendations to be incorporated into our Church design.

ROMAN CATHOLIC
**DIOCESE
OF CHARLESTON**

OFFICE OF THE VICAR GENERAL

June 24, 2019

Rev. Giovannic B. Nunez, CRM
St. Anne & St. Jude Roman Catholic Church
216 East Liberty Street
Sumter, SC 29150

Re: June 2019 BRAC Review – New Church

Dear Fr. Nunez,

The Building and Renovation Advisory Committee met on June 13, 2019. Members of the Design Review Committee reviewed the submitted presentation for the new church and shared the following comments and recommendations:

- a. Recommend including hand rails around the back of the raised altar.
- b. Determine the location of mechanical equipment.
- c. Determine the location of the sprinkler riser room.
- d. Recommend including a separate AC unit or mini-split system dedicated to the IT room.
- e. Relocate the Janitor's Closet closer to the men's and women's restroom.
- f. Recommend adding a storage room in the social hall for table and chair storage.
- g. We recommend rethinking the location of the baptismal font. It should be in a position that allows families to easily view baptisms and also remind parishioners of their own baptisms as they enter the church.

The above comments should be responded to in writing and incorporated into the drawings where necessary. Please work with the Office of Planning and Operations to engage your preferred architect and resubmit the drawings for a 50% design development review.

I look forward to hearing of a successful project. In the meantime, you and the faithful of St. Anne and St. Jude are in my prayers.

Fraternally in Christ,

Rev. Msgr. Richard D. Harris
Vicar General and BRAC Chair
