Investing in your child's education as a Catholic shouldn't be limited by cost.

68% of S.C. households qualify!

La inversión en la educación de su hijo como católico no debe estar limitado por el costo.

¡Puede recibir \$6,500 por estudiante para la Escuela Católica!

Para familias que ganan menos del 300% del nivel federal de pobreza

¡El 68% de los hogares de Carolina del Sur califican!

Gov. Henry McMaster announced an exciting and important school funding opportunity. Safe Access to Flexible Education (SAFE) Grants is a program to address the educational needs of eligible K5-12 students who attend participating independent schools in South Carolina. Families with a household adjusted gross income of 300% or less of the federal poverty level may apply to receive a SAFE Grant of up to \$6,500 per student. Nearly 68% of all South Carolina households qualify. This means that families who could not have afforded private schools now have the ability to make the best choice for their children's education -- and we want your families to join us in our top-rated, faith-filled Catholic schools.

Inspiration for the week

Think for a moment about the most special person in your life. Why do you love them? Many people will answer that question noting character traits they admire about the person, pointing to an indescribable compatibility that exists and describing a deep sense of connection and intimacy or even a sense of rightness about the relationship. In relationships that are authentic and true, rarely are the personal benefits gained from the relationship noted as motivating factors for its pursuit. If we truly love someone we do so simply because it is right and good to do so and not for some other self-serving reason. Why do you love God? The sense of happiness and the gift of mercy that come from that relationship are God's to give, regardless of when in life we come to Him. God's ways are different than ours.

Holy Mary, help those in need, give strength to the weak, comfort the sorrowful, pray for God's people, assist the clergy, intercede for religious. May all who seek your help experience your unflinching protection. Amen

RESPONDING *to the Call*

EVERYDAY STEWARDSHIP

Recognize God In Your Ordinary Moments

Be Sure to Look the Part

I used to coach my oldest son in soccer when he was younger. As he got older, he would go to tryouts for select and high school teams. I was no longer the coach, but I always shared with him one piece of advice before any tryout: Be sure to look the part. I told him that if he showed up looking like a soccer player, there was an increased chance of him being seen as a soccer player. If he showed up looking like a kid that plays soccer in video games as opposed to the real thing, he might not be taken seriously. As he grew older, that same advice was then applied to getting a job. It's advice I have heeded myself all my life. You can even say it is like another common phrase: "Fake it till you make it."

As disciples of Jesus Christ, we certainly do not want to fake it, but we do need to look the part. The world looks at those of us who proclaim to be Christians to see if there is anything to this way of life. If they see us looking and acting like people transformed by Jesus Christ, they will be more likely to take Christianity seriously. If they look at us and see nothing different, then they can easily conclude that there is nothing different about Jesus Christ. He just becomes simply another religious figure of history. Can the world see the power of Christ in you? How will you look the part?

QUESTIONS OF THE WEEK

Invite Parishioners to Reflect and Respond to Scripture

First Reading

While still in captivity in Babylon, Isaiah urged the Israelites to seek the Lord, for the Lord is near even in exile. When have you felt the Lord's presence in dark periods of your life?

Second Reading

In his letter to the Philippians written from prison and toward the end of his life, Paul reflects on his spiritual dilemma between life and death. How do you work through spiritual dilemmas?

Gospel Reading

Jesus' parable of the workers in the vineyard of the Lord offers us important insights into the Kingdom of Heaven and God's generosity. To whom do you think this parable is unsettling?

WHY DO WE DO THAT?

Catholic Life Explained:

Good and Evil

Question:

If God is good, why is there evil in the world?

Answer:

The problem of evil is perplexing. If God is all-powerful and all-good, why doesn't He stop bad things from happening? He must either not be all-powerful, or perhaps He's not very good after all. Human beings have faced the possibility of evil since the very beginning of our existence. In granting us free will, God gives us the ability to make free choices. God does not force us into moral perfection. We are not forced to love Him or to love our neighbor. We must make the decision ourselves. This means, of course, that we have the ability to choose against love.

One small decision of selfishness, jealousy, or pride may not seem so bad. But every decision — good or bad — is like a stone dropped into a still pond. The ripples extend much farther than the original stone. When decisions against love begin to compound, they affect families, neighborhoods, and nations. This is all the more reason for Christians to be faithful to our baptismal call to love one another as Christ has loved us!
