## A Message from Fr. Gio

Our parish is dependent upon the weekly offertory collection to continue it's ministry, it's ability to maintain our staff and to pay bills.

The parish Would be most grateful for your continued financial support while our collections continue to be significantly affected by the pandemic. If you are able, you may drop your weekly offertory in the basket by the door, mail in your weekly offertory checks to the parish, drop them off in the mailbox at the parish office, or transition to online giving using the link on our parish website

<https://www.osvonlinegiving.com/>

If you are doing this already, thank you for your generosity and your continued support to our parish.

May God bless and keep you always.

### WHEN GOD WHISPERS

"You don't need to shout. My hearing works just fine."

Are you a parent that has used that one on your kids? I'm not sure at what age they realize that the volume of their voice doesn't correlate to the likelihood of receiving a favorable reply — it might be sometime in the teenage years, when the talking slows down altogether.

But I've got to admit, it would be nice if God always gave us a loud and dramatic sign when He wanted something — the booming voice and the torn-open heavens ("This is my beloved Son!") really get the message across. Sometimes I find myself envious of the Apostles, who were able to witness such things in person.

The fact of the matter is, in the year 2021, God is more likely to speak in a whisper than in a shout. The prophet Isaiah forewarns that Christ himself will not be a noisemaker — for all his preaching, he will not cry out or shout to bring forth justice to the nations. His way is altogether different than that.

We are not the Apostles, and we do not have the privilege of seeing the Holy Spirit descend on Christ like a dove. But here's the good news: God doesn't need to shout. Our spiritual hearing works just fine. We just have to be listening.

Let's wake up each morning ready to hear God's whispers throughout the day. Let's make a conscious effort to invite those whispers into our hearts, where they can become a catalyst for grace in this world.

## GOSPEL MEDITATION

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

We need history. We need it in order to understand ourselves, personally and collectively. The pieces of our histories may not have always been the most positive, honest, exemplary, dignified, proud and best moments of our lives, but they are ours. We have to acknowledge, remember, accept, and often heal them. We cannot forget them or pretend that they never existed. As horrible as the atrocities of events like Auschwitz, brutal injustices committed throughout the human journey, or personal painful experiences in our own stories, we need to remember. These times when humanity in general or people in particular have lost their way are times that need to be reconciled and redeemed.

If we lose the memories, we will make the same mistakes again. The human soul needs a strong sense of affirmation, direction, and clear purpose. Without these essentials, we will easily run amuck and repeat the sins of our past. God's voice throughout history has spoken precisely about this! We are reminded through the voices and example of many prophets and witnesses not to make the same mistakes again, come back to center, discover the purpose given to us by God, maintain a sense of proper direction, seek healing for wounds

#### LIVE THE LITURGY

##### Inspiration for the week

We carry a greater depth of self-confidence and chance of succeeding when we have affirmation, a sense of direction and clear purpose in life. Each of these serve to provide our lives with meaning, allowing us to clearly establish priorities and goals. They also are necessary for integrity, which is the conviction and single mindedness that keeps us grounded in the truth of who we are. "You are my beloved Son; with you I am well pleased." Jesus' baptism provides him with exactly what he needs to get about the business of his mission as the Son of God. He is given what he needs to be successful in fulfilling the purpose for which he was sent. Our baptisms give us these same gifts. We receive the affirmation we need from God, knowing that we are one of his beloved daughters and sons. We are gifted with the direction and clear purpose we need in order to be productive stewards and faithful Christians. Are we ready and willing to answer the call?

and be reconciled to our Creator.

Baptism is so incredibly important for the salvation of humankind, not only eternally but here and now. Our existence depends upon it. It gives us the affirmation we need from God by gifting us with the same intimate relationship Jesus had with the Father. We are blessed with the direction and clear purpose we need in order to be productive stewards and faithful Christians. Baptism calls us to remember, accept, and deal with the sins and inequities of our past regardless of how hurtful and serious. We consciously choose to turn away from them and put on the new life of Christ. To do this well, we must look hard and long at our sins and failings, listen to what they

are saying and learn from them. If we ignore the past, collectively or personally, or pretend that it never happened, we will never grow. We will surely die.

People need to hear the message, lived and spoken, delivered by the baptized members of the Body of Christ. It is an essential message of hope that is layered with visions of justice, peace, reconciliation, redemption, blessing, and healing. It is a message that helps us remember what has gone before, the graces and the sins, and bring ourselves by God's help where we need to be. We are called to do much more than sit home behind our closed doors. We have a message to deliver. Are we ready to do so?

### WHY DO WE HOLD HANDS DURING THE OUR FATHER?

The practice of members of the assembly holding hands while praying the Lord's Prayer during the Mass is a custom that developed organically in the 1970s and 1980s. While some commentators acknowledge that the practice varies from place to place, it is a fairly universal reality in parishes across the United States. For some, this action symbolizes the communion of Christians praying together as one family of believers honoring the Father of All. Critics of the practice sometimes express concern that holding hands can be a distraction from the more significant unity that is experienced when we process to the altar to receive sacramental communion.

And so, we're left to ask, what is the answer?

The General Instruction of the Roman Missal (the document that offers specific instructions for the celebration of the Mass) is silent on the practice, saying only that "all the faithful say the prayer" with the priest. The website of the US Bishops simply observes that "No position is prescribed in the Roman Missal for an assembly gesture during the Lord's Prayer." And so, we're left to discern within

ourselves and within our parish and religious communities what is an authentic gesture of praise during this important point of the Mass. For some, this means continuing to hold hands, while for others, this may mean adopting another posture of prayer.
