GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

There is always something very tender and heartwarming about a kiss. When someone who loves us offers us a kiss, it sends a clear message that we are valued and special. We occupy a unique place in their lives and have a distinct purpose. Kissing celebrates the wonder and beauty of human life. In a very powerful way, we are connected, through intimate touch, with another human being. With the incarnation of Christ, God kissed humanity. God, revealed so perfectly in Jesus Christ, showed us that we have value and are made in God's image and likeness. Mortal human beings radiate with the presence of God and are worthy enough to reveal the intimacy of the Divine Mystery. The human race is not simply something God created from a distance but something special within which God dwells.

It is no wonder then, why the poor hold such an honored place in Jesus' ministry. They speak of God's love and they cry out for the compassion that is due them as children of God. Justice is about setting relationships right because we are all filled with God's love and have dignity. The human story is

understood as a partnership, a true and new covenant, celebrating a love relationship between all of creation and their Creator. It is a story that does not end with the Cross or even the Resurrection. The story finds its happy ending in the Ascension. Our human narrative is still evolving and moving ever more closely toward that day when all will be one in Christ.

Jesus now sits at the right hand of the Father as the Christ of God. In the ascended state, we see what we are all meant to become and have before us the transformed life that awaits all of creation.

The disciples got a glimpse of what this transfiguration would be on the holy mountain and it is an essential part of the Good News we are called to proclaim! Christ, now ascended to the Father, sets our paths straight and gives us a look at what awaits us. The day-to-day challenges of life often find us struggling with our incompleteness. Today's celebration gives us the strength to persevere, knowing that we'll eventually be well. May our hearts be enlightened so that we can know this hope and the surpassing greatness of Christ's power!

LIVE THE LITURGY
INSPIRATION FOR THE WEEK

The one who came from heaven now returns to heaven. Today celebrates the completion of the Divine-human story. When God became one like us, humanity was divinely kissed. The message was clear: mortal human beings, once seen as insignificant and expendable, radiated with the presence of God and revealed the intimacy of the Divine Mystery. The poor were raised up and given dignity, the sick healed, and justice proclaimed. The human story is understood as a partnership, a true and new covenant, celebrating a love relationship between all created beings and things and their Creator. Jesus now sits at the right hand of the Father as the Christ of God. In this ascended state, we see what we are all meant to become and have before us the transformed life that awaits all of creation. While we are still moaning and expressing sighs of incompleteness as we continue our journey, we see and know the glory that awaits us and the inheritance that will one day satisfy the longing of our souls. This feast of the Ascension is truly a celebration that can bolster our faith, deepen our love and renew our hope.
