THANK YOU! THANK YOU! THANK YOU!
We are so excited and humbled by the response to our Adopt-A-Student Scholarship program. Not only have you helped us meet our goal of \$20,000 in a brief 5 weeks, you have helped us surpass it! And the gifts are still coming in! To date, we have collected \$22,661 in donations. That is AMAZING!! God has shown us He has big plans for the children at Holy Angels Academy! We will continue to collect donations so please prayerfully consider donating if you haven’t done so already.
Your gift will help so very much!

Parents, DO NOT let the Financial Obligation keep you from considering our Parish School for your Children.

Another opportunity to help our school is through the Cans for Kids project. All you need to do is collect all your aluminum cans. Put them into a garbage bag and toss them over the Cans for Kids enclosure at the school. Its easy, does not cost you anything and helps the school and our environment.

GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

St. Oscar Romero said, "We cannot do everything, and there is a sense of liberation in realizing that. This enables us to do something and to do it very well. It may be incomplete, but it is the beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest."

There were a group of ladies many years ago who made quilts. They were beautiful creations reflecting inspirational designs artfully composed from the simple scraps of fabric each woman would bring to their individual pieces. There was no plan for the finished project as each finished work became the combined creation of what each woman contributed. They abounded in vibrant colors and dazzled the beholder with intricate patterns and their myriad textures. They were so beautiful that they became coveted family treasures passed from generation to generation. Those women never realized the power of their work. Countless babies rested in the comfort of those quilts warmly nestled in the legacy of tradition they were fortunate to inherit. They adorned countless homes with their beauty and brought joy and solace to many faces.

We cannot do everything. We are not meant to. Our work in life is

LIVE THE LITURGY Inspiration for the week

God shows up in unexpected ways! Just when we think we have God's agenda figured out, another surprise comes. Expecting to find God only in some places hinders us from finding Him everywhere. Who would have thought that a young boy's few loaves and fishes would feed thousands of people? The disciples were probably just as amazed as everyone else when this feast appeared before them. Sometimes, we find it difficult to believe that God can do amazing things with something small and simple. Yet, grasping this truth is really at the heart of understanding the power of the Eucharist. Having the Body and Blood of Christ made present for us is one amazing wonder. Actually being fed and nourished by that gift is another. Now being able to become what we have eaten, God can do tremendous things with the simple, humble gifts of our lives. All we have to do is realize that God dwells within us. When we do, then everyone we encounter and everything we do has the power to become a sacramental moment. When done with great love even the smallest gesture can be multiplied exponentially. Now, that's amazing!

to contribute our individual piece, a piece that reflects the unique thumbprint I claim as my own. We only have to do small things well. Then, as St. Oscar Romero reminds us, the Lord's grace will enter and do the rest. We have to trust that this is true just as those women trusted in the eventual beauty of their final work.

Eucharistic blessings are blessings that start small and multiply. We all come to life with only a few loaves of bread and a few fish. Not any single one of us has all that it takes to transform our world. Who knows what God will do with the little we have and how many will benefit from our kindness, compassion,

wisdom, courage, conviction, love, warmth, zeal, faith, and hope? That young lad never dreamed that his few leftovers would do all that they did. God shows up in unexpected ways! Where would life's adventure and fun be if it were any other way? Being able to be part of bringing God's creative, transforming, healing to the world opens us up to wonder, awe, and excitement! We can all bring our little piece to the bigger work of God that can result in being a coveted jewel passed generation to generation. This is good news indeed!

Bread and wine transform into Christ's Body and Blood and we become what we eat. Trust that.

ESL, LITERACY AND CULTURE MINISTRY

We are starting a new ministry designed to serve Hispanic families. Some of these adults speak no English and many are illiterate. We plan to serve the whole family providing cultural activities for the children while the parents are in class.

The classes will start in the fall and end in the spring. They will take place Sundays at 11 am at St Jude just before the Spanish Mass. We need 2 volunteers to help with the program: one to teach English as a second language following a preselected textbook, and a second person to implement a series of planned cultural activities for the children. If you are interested in this ministry, teaching English to adults or working with their children, contact Mariel Ferrell at cell 803 840 5149 or home 803 773 5606. Please leave your phone number in a text or voice message so that you can be contacted.

CLASES GRATIS DE INGLÉS, ALFABETIZACIÓN Y CULTURA

Estamos comenzando un nuevo ministerio para familias hispanas. Necesitamos a una persona que quiera trabajar con niños enseñándoles sobre la cultura hispana mientras sus padres toman las clases gratis de inglés y de lectura. Elena mandando un texto al 803 840 5149 o dejando un recado al 803 773 5606.
