PARISH PASTORAL PLAN

Our Vision

- ◆ United in **Faith.**
- ◆ Strengthened by **Hope.**
- ◆ Active in **Charity.**

The Pastoral Plan is a tool to assist the Pastor in effective shepherding of St. Anne and St. Jude. The plan includes our Core Values along with objectives and goals, and concrete steps to achieve those objectives and goals. Each Ministry supported by our church is included in the plan along with how those ministries operate to support the Pastoral Plan and the established Core Values, objectives, and goals. The Pastoral Plan is a living document and a call to immediate action, as such, The Pastoral Plan committee has identified Low-Hanging Fruit which we have already started pursuing and do so in the near term. We will continue to look out for low hanging fruit.

Check out the entire Pastoral Plan at:

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

What are the little ones? They are the poor, the marginalized, the women and men at the well, the Zacchaeus' looking for Jesus from a tree, those mired in sin, the blind who want to see, and the lame who want to walk. They are the lepers and the different ones who have been told that they are unclean, and the ones who suffer from abuse and grave injustices and oppression. They are children who want nothing more than to be loved and enjoy celebrating their innocence. These are all the little ones and they are all vulnerable. Life already brings them burdens, we don't need to add to them.

St. Oscar Romero said, "When the church hears the cry of the oppressed it cannot but denounce the social structures that give rise to and perpetuate the misery from which the cry arises." Why are so many people still so gravely hurting? We have the resources and the means to make things better. We choose not to. There are still those things called greed, pride, lust, apathy, jealousy, gluttony, and anger that prevent us from seeing each other and people to be loved and not objects to be used. Is this how God intended things to be?

God loves what is good and upright. It doesn't matter who did it or where it came from. In God's eyes, the end result is always faith, hope, and love. Those will always unite a person with God. We fill our lives with many things that are not good either for ourselves or for others. All of us have to work to discover what it is, exactly, that leads to the world's brokenness. There are people, systems, and ideologies in place that foster oppression and injustice rather than equity and fairness. Sadly, our complacency can be the greatest evil. Turning a blind eye, ignoring the truth, and believing that we are helpless to fix so great a problem, does little to move us closer to the kingdom of God. As members of the Body of Christ, we cannot condone anything that keeps people in misery.

As it is said, charity begins at home. Perhaps a good place to start is with our own households and making sure their foundations are properly laid.

Our Commitment To A Safe Environment

As Christian adults, we have a moral and legal responsibility and are entrusted by God with the spiritual, emotional and physical well being of minors and vulnerable adults as they participate in activities within or sponsored by our Diocese. It is our responsibility and commitment to provide an environment which is safe and nurturing.

In order to achieve this, the diocese has a Safe Environment Program that implements training, screening, background checks and other procedures that are designed to reduce the risk of sexual abuse of children and vulnerable adults. Every parish, school and Diocesan agency has the program and each is responsible for program implementation and continuation.

- We have worked with the value engineers at Mashburn Construction to get our building project within budget. We plan to reduce the size of our new church from 16000 sq feet (800 seats) to 10,000 sq feet (400 seats), and, as before, we plan to build a cross shaped church with red brick.
- We are hoping to form an artifact subcommittee in order to catalogue artifacts from St Annes and St Judes Church, then determine which artifacts will be used in our new church, the timing of moving and placement of artifacts.
- We had a positive BRAC presentation earlier this month and plan a follow up presentation in October after engineering documents have been completed.
- We have applied for a loan from the Diocese for 1.2 million, based on our outstanding pledges only. Pending BRAC and Loan approval, we plan to have a "shovel in the ground" in January 2022 and worship in our new church by Christmas 2022.
