### Our Commitment To A Safe Environment

As Christian adults, we have a moral and legal responsibility and are entrusted by God with the spiritual, emotional and physical well being of minors and vulnerable adults as they participate in activities within or sponsored by our Diocese. It is our responsibility and commitment to provide an environment which is safe and nurturing.

In order to achieve this, the diocese has a Safe Environment Program that implements training, screening, background checks and other procedures that are designed to reduce the risk of sexual abuse of children and vulnerable adults. Every parish, school and Diocesan agency has the program and each is responsible for program implementation and continuation.

# GOSPEL MEDITATION

## ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

On December 10, 1979, a very petite holy woman known as Mother Teresa of Calcutta spoke these words in her Nobel Peace Prize Acceptance Speech, "But I am sure in the families and many of our homes, maybe we are not hungry for a piece of bread, but maybe there is somebody there in the family who is unwanted, unloved, uncared, forgotten, there isn't love. Love begins at home. And love to be true has to hurt. I never forget a little child who taught me a very beautiful lesson. They heard in Calcutta, the children, that Mother Teresa had no sugar for her children, and this little one, Hindu boy four years old, he went home and he told his parents: I will not eat sugar for three days, I will give my sugar to Mother Teresa. How much a little child can give. After three days they brought into our house, and there was this little one who could scarcely pronounce my name, he loved with great love, he loved until it hurt. And this is what I bring before you, to love one another until it hurts, but don't forget that there are many children, many children, many men and women who haven't got what you have. And remember to love them until it hurts."

Living authentically and walking with holiness always involves sacrifice. It has to hurt. Only actions springing from true and deep sacrifice demonstrate true integrity.

### LIVE THE LITURGY

#### Inspiration for the week

It all really boils down to a matter of the heart, and actions do speak louder than words. We cannot hide from the truth. A problem with religion is that it is possible for someone to make everything appear to be right when actually it is not. We can say all of the right prayers, perform all of the proscribed rituals, claim that we adhere to orthodox doctrines and still lead a distorted, empty and sometimes pitiful life. Only actions springing from true and deep sacrifice demonstrate true integrity. Without sacrifice, even the noblest looking actions can amount to nothing. It is no wonder, then, that the widow who contributed from her poverty received great admiration from Jesus. While it may not always appear to be the case, God has a special care and regard for those who depend upon him in times of trouble and want. Only the person who is truly poor is the only one who can see this. Because of a lack of trust, the one who has much is afraid to take a risk and sees only what they possess as their only security.

Without sacrifice, even what is apparently a generous gesture can be nothing. It is no wonder that the widow who contributed from her poverty received great admiration from Jesus and the young child in our story above the interest of Mother Teresa. It is easy to make the houses of our lives look like they are in perfect order when in fact they are in shambles within. Religion can sometimes make this hypocritical masquerade easy to accomplish. We can find ourselves in all the right holy places, reciting all of the correct prayers, participating in community collections, and reciting the proper doctrines only to find ourselves empty, shallow, self-focused, and overly anxious about personal concerns.

The one who learns to discover their inner poverty, their spiritual poverty, is the only one who can truly place him or herself at the mercy of God. It is only when we allow ourselves to be empty that we realize who we actually need to fill us. This is the real meaning of trust. Many of us are afraid to take the plunge. We allow ourselves to detach from only so much, always keeping a watchful eye on the protection of our securities. We understand the value of poverty, but we do not want to become too poor. As long as we are able to recognize this tension, our reluctance to let go and our struggle, we can continue our journey of humbly learning how to love so deeply that it hurts. God understands and waits.

  - We have worked with the value engineers at Mashburn Construction to get our building project within budget. We plan to reduce the size of our new church from 16000 sq feet (800 seats) to 10,000 sq feet (400 seats), and, as before, we plan to build a cross shaped church with red brick.
  - We are hoping to form an artifact subcommittee in order to catalogue artifacts from St Annes and St Judes Church, then determine which artifacts will be used in our new church, the timing of moving and placement of artifacts.
  - We had a positive BRAC presentation earlier this month and plan a follow up presentation in October after engineering documents have been completed.
  - We have applied for a loan from the Diocese for 1.2 million, based on our outstanding pledges only. Pending BRAC and Loan approval, we plan to have a "shovel in the ground" in January 2022 and worship in our new church by Christmas 2022.
