Our Commitment To A Safe Environment

As Christian adults, we have a moral and legal responsibility and are entrusted by God with the spiritual, emotional and physical well being of minors and vulnerable adults as they participate in activities within or sponsored by our Diocese. It is our responsibility and commitment to provide an environment which is safe and nurturing.

In order to achieve this, the diocese has a Safe Environment Program that implements training, screening, background checks and other procedures that are designed to reduce the risk of sexual abuse of children and vulnerable adults. Every parish, school and Diocesan agency has the program and each is responsible for program implementation and continuation.

An Update on the Bicentennial and It's TIME Campaign at Saint Anne and Saint Jude Roman Catholic Church:

What Your Generosity Has Accomplished

It has been over a year since our parish completed our participation in the *Bicentennial and It's Time Campaign* to build a new Church. As a reminder, your support and generosity helped us raise **\$1,800,000** in pledges from **243 parishioners**, which is **129.71%** of our target. To date, **\$1,343,752.13** has been received from these pledge payments, and with those funds, we have been able to ensure our financial capacity to break ground on January 22, 2022 and look forward to completing our New Church this year.

We recognize the financial uncertainty that COVID-19 has caused for many in our community. Saint Anne and Saint Jude Parish has not been immune from these challenges. Despite the obstacles that have been placed in our way, we are still amazed at the support parishioners continue to show for our parish in the form of continued payments on their Bicentennial Campaign pledges. It is your devotion that will allow our spiritual home to persevere and flourish through these difficult times.

Fulfilling your pledge strengthens our parish family. If you have made a pledge and need to make an adjustment, please contact our parish staff at **(803) 773-3524** at your earliest convenience.

AFTER A CIVIL DIVORCE, IS A CATHOLIC OBLIGATED TO PURSUE AN ANNULMENT?

Many Catholics are not exactly sure what an annulment does. An annulment does not deny that a marriage took place, nor does it deny that there once was love. It does not mean that people say anything untrue, such as they never loved each other or that everything in their marriage was wrong. An annulment does not negate children, nor make them illegitimate. An annulment addresses the spiritual aspect of marriage. In effect, an annulment says that at the time of the wedding, there was either something present or something absent that prevented the sacrament from taking place. It is a spiritual determination that, if granted in the affirmative, allows a person to marry in the Church.

Annulments have no legal standing and are unable to be used in a civil court. Therefore, a Catholic has no moral obligation to pursue an annulment. However, when the tragedy of divorce occurs, and there is no hope for reconciliation, annulments may help bring some spiritual closure to a person's life. Some people have found the process to be healing and others have found it to be difficult. Speak to your priest or a member of the Diocesan Tribunal staff to decide what is best for you.

FILLING THE BASKET THIS LENT

Lent calls us into deeper everyday stewardship because it beautifully creates opportunities to be mindful of the call of Christ in even the most mundane moments of our day.

Many of us will participate in the time-honored tradition of doing penance, or "giving something up" for Lent. When we do this, we are mimicking the Israelites who filled their baskets with the first fruits of their harvest, "and having set them before the Lord, your God, (bowing) down in his presence" (Deuteronomy 26:10).

What are we going to bring before the Lord this Lent? What are our first fruits?

If you're struggling with ideas for how to "fill your basket," it can help to come at the problem from the opposite side. Take a look at

the six characteristics of Everyday Stewardship and think about the moments in your day when you fail to fulfill the virtues to which they call you.

What is keeping you from being mindful of the call of Christ throughout your day? I promise you, if you listen, you'll hear it more than once.

What is keeping you from being prayerful? When you have set your first fruits before the Lord, what keeps you from bowing down in His presence to finish the offering?

What keeps you from being grateful — especially of the small things that so often go unnoticed?

What keeps you from being gracious, from leaving people smiling as they walk away?

What keeps you from being committed and accountable? Where do your excuses come from and what makes you indulge them?

—Tracy Earl Welliver, MTS

LIVE THE LITURGY

Inspiration for the week

Human beings did not come to believe in God just because of someone's private testimony about him. Rather, belief in God became real when human beings understood that all of human history is being guided and lead, kept and sustained by a God who is incredibly in love with all that he has made. It is this realization that leads us to thanksgiving and gratitude for the one who gives us "this land flowing with milk and honey." It also leads us to adoration and worship as we continue to see the creative power of God's presence in all of the events of our lives. The Church stands as a living witness to all of these things and calls us this Lent to reflect and remember. There is a great temptation for human beings to leave the truth of who they are, where they came from and who created them. Falling into this temptation we cease giving thanks to and worshipping our Creator as we pursue our own self-sufficiency, power, and prestige. While having more may seem better, the only thing we really need more of is love. This fortifies us and keeps us from falling.

OUR NEW CHURCH

521 PROJECT UPDATE Feb 16 2021

We had a meeting with Mashburn Construction yesterday to finalize our budget after we received bids from subcontractors. In addition, we have addressed requirements found during the permitting process. Kelly Bruce and Dave Pfrommer from the Diocese as well as Rob Montgomery, our architect, also attended this meeting. This was a lengthy meeting with line-item analysis. We are \$110,000.00 over budget with construction costs (hard costs) but have offset this with a reduction in soft costs to stay within budget. The total project cost, including a contingency allowance, is the same at 5 million dollars. The next step is to obtain a Land Disruption permit from the State now that our SCDOT and city permits have been approved. Mashburn Construction is "ready to go" once we have the Land Disruption permit. Mashburn Construction expects to have machinery on site within the first two weeks in March. Because of subcontractor and supply issues our new St Anne and St Jude Church may not be completed until sometime in January or February of next year. Your support is much appreciated, keep praying!! For more details, visit our parish website: www.sasjrcc.org click **Our New Church** link and scroll under Updates for details.
